14 March 1975

MEMORANDUM FOR: Acting Chief, PRD/IC

SUBJECT : General Graham's Proposals on the
"Distributed Data Base" Problem

25X1 1. Per your instructions, I have contacted [redacted] of the DCI's office and [redacted] of General Graham's office, and we have reached agreement on a mutually convenient time for General Graham to offer his proposals. The meeting with the DCI is scheduled for 1600 hours on Tuesday, March 25. General Graham indicated he intends to bring General Tighe with him and has asked that the number of people attending the meeting be held to a minimum. He also indicated that he is looking forward to an informal discussion rather than a formal presentation.

2. I have not told anyone on the IC Staff or in the NIO organization of these arrangements. [redacted] of the IHC read of this intended meeting in the IC Staff Weekly Activities Report. He called me this morning expressing strong interest in the meeting, and wishes to attend.
